DOMINION ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 2nd day of June, 1909.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

THE Minister of the Interior, under date 19th May, 1909, states that W. A. Rannic, Esq., of the City of Vancouver, in the Province of British Columbia, contractor, has applied to purchase, subject to conditions of reclamation, certain Dominion lands, situated in that portion of the District of New Westminster, in the Dominion Railway Belt, in the Province of British Columbia, known as the Pitt River Meadows, and being portions of Townships 40 and 42, east of the Coast Meridian, as set out in the accompanying schedule marked "A," and comprising approximately 6,821.2 acres. The application in question is made with the view of carrying out by a system of dyking and draining, the reclamation of these lands, and of their utilisation for agricultural and industrial purposes, it being represented that they are now liable to overflow from Pitt River and Lake, and that their value will be greatly enhanced by a proper system of reclamation.

The Minister further states that he has had a survey and examination made of the lands in question and is of the opinion that if successfully carried out, the reclamation of the said lands will be in the public interest.

The Minister, therefore, recommends that such portions of these lands as are available and can be reclaimed, be sold to the said W. A. Rannic, at the rate of \$1.50 per acre, upon the following conditions:—

(1.) The work of reclamation shall be commenced within eighteen months of the date of the approval hereof by the Governor-General in Council, but before the commencement of such work, and within six months of the date of the said approval, copies in duplicate of all plans, profiles and estimates of costs, for the above-mentioned work, including a plan showing the lands proposed to be reclaimed, shall be furnished the Minister of the Interior for his information:

(2.) The applicant to complete in a substantial and efficient manner the works for the dyking, draining and reclamation, and for the protection from flood water thereafter, of the lands contained in the accompanying schedule, and to complete the dyking, draining and reclamation of the said lands, to the satisfaction of the Minister of the Interior, within a period of four years from the date of the approval hereof:

(3.) The applicant to repair all injury, directly or indirectly caused to any highway or road, by reason of the said reclamation works:

(4.) If the said plans, profiles and estimates of costs are not furnished within the said period of six months the reservation now proposed to be placed on the lands shall be withdrawn, and all claim on the lands by the said W. A. Rannic shall cease, and the lands will thereupon be open to such other disposition as shall be determined upon under the Regulations, or by order of the Governor-General in Council, or, if at any time after the above-mentioned period of eighteen months, upon a report of an officer of the Department of the Interior, the Minister of the Interior finds that the undertaking is not being proceeded with in a satisfactory manner, notice shall be given to the said W. A. Rannic that if the work is not proceeded with in a manner satisfactory to the Minister of the Interior within a period of six months from the date of such notification, that all claim on the lands by the said W. A. Rannic shall cease and the lands will thereupon become available for disposition by the Department of the Interior without reference to the lapsed claim of the said W. A. Rannic:

(5.) The lands proposed to be reclaimed may, with the approval of the Minister of the Interior, be divided into two separate blocks, and the work of

reclamation may be carried forward in a separate dyking scheme in each of the said blocks, and upon the completion of each scheme to the satisfaction of the Minister of the Interior, and in accordance with the other conditions as set out herein, the said W. A. Rannie shall be entitled to receive patents for the reclaimed land included in that scheme, but the payment at the said rate of \$1.50 per acre, for such lands as may be included in the reclaimed area of the said scheme, shall accompany the application for patent:

(6.) If upon the receipt of the plans, profiles and estimates of costs, as set out in condition (1), the Minister of the Interior finds that lands contained in the said schedule, should not, in his opinion, be properly included in the said scheme, he may, upon giving the applicant sixty days' notice thereof, withdraw such lands from the operations of this Order:

(7.) The applicant to have made, at his own expense, by a duly authorised Dominion Lands Surveyor, under instructions from the Surveyor-General and subject to his approval, any surveys which in the opinion of the Minister of the Interior, may be necessary in connection with the said scheme:

(8.) The reservation of lands now made is subject to the legal and equitable claims of actual settlers, who may be found to be in occupation of the same, at the date hereof, and such actual settlers are to be held to be entitled to such consideration as the Minister of the Interior may deem advisable, without reference to any claim of the said W. A. Rannie, under the reservation now proposed to be made.

The Committee submit the same for approval.

F. K. BENNETTS,

Assistant Clerk of the Privy Council.

Every description of gaming, and all playing faro, cards, dice, or other games of chance for stakes of money or other things of value, and all betting and wagering on any such games of chance, are strictly forbidden and prohibited within the Parks; and no person shall play at or allow to be played on his premises, or assist, or be engaged in any way in any description of gaming, as aforesaid.

Such confiscation, however, shall not relieve the baker of such bread from the liability imposed by these Regulations for an infraction thereof.

82. No person shall be permitted to bathe near any of the regularly travelled roads, dwellings, or other places of public resorts in the Public Parks without suitable bathing clothes.

83. All complaints by tourists and others as to service, etc., rendered in the Parks should be made to the Superintendent in writing before the complainant leaves the Park.

85. Any person who violates any of the provisions of these Regulations, may be prosecuted under that part of the Criminal Code relating to summary convictions, being Part XV of the Revised Statutes of Canada, 1906, chapter 146, before a Justice of the Peace, the Commissioner of Parks, or the Superintendent of the Parks, who, for the purposes hereof, shall be ex-officio a Justice of the Peace, with jurisdiction anywhere in the Parks, or before any officer of the North-West Mounted Police, empowered by law to sit and act as a Justice of the Peace.

86. Any person who violates any of the provisions of any of these Regulations, shall, except as hereinafter specially provided, be liable on summary conviction to a penalty not exceeding fifty dollars and costs, and in default of payment thereof, to imprisonment for a period not exceeding three months.

87. Any person who violates any of the provisions of clause number forty-nine of these Regulations, which relates to the sale of intoxicating liquors within the Parks, shall be liable on summary conviction, to a penalty not exceeding, in each case, the sum of fifty dollars and costs, and in default of payment thereof, to imprisonment for a term not exceeding three months; and a moiety of every penalty imposed and collected under the provisions of this clause of these Regulations shall belong to His Majesty and the other moiety to the person laying the information.

88. Any person who violates any of the provisions of clause seventy-eight of these Regulations, which relates to gaming, shall be liable on summary conviction, to a penalty not exceeding, in each case, the sum of fifty dollars and costs, and in default of payment thereof, to a term of imprisonment not exceeding three months; and a moiety of every penalty imposed and collected under the provisions of this clause of these Regulations shall belong to His Majesty and the other moiety to the person laying the information.

JURISDICTION.

89. In order the more effectually to repress the offences specified in clauses numbers forty-nine and seventy-eight of these Regulations, every officer of the Parks, or officer of the North-West Mounted Police Force, or constable of the North-West Mounted Police, accompanied by or acting under the orders of a commissioned officer of the said Force, is hereby authorised, by force if necessary, and without the necessity of any intervention or process of law, to enter any suspected place, to arrest therein on view any person or persons found committing any of the offences aforesaid, and to bring him or them before any of the officers who, by these Regulations, are empowered to sit and act as Justices of the Peace within the Parks, to be dealt with according to law; and also to seize any tables, or other instruments, and money, securities for money, intoxicating liquor, and vessels and appliances used in connection therewith, in contravention of the said clause; and upon the conviction of such person or persons or any of them of such offence, in addition to any penalty imposed in respect thereof, the said table or tables and other instruments shall be forfeited and sold, or in the discretion of the convicting Justice, destroyed, and the money so seized as aforesaid shall be forfeited and applied, together with the proceeds of sales, towards the revenue of the Parks in the manner hereinafter provided.

90. For the control and management of the Parks in any manner whatsoever not specially provided for by the Rocky Mountains Park Act, Revised Statutes of Canada, 1906, chapter 60, or by any other Act of the Parliament of Canada applicable to the Parks, or by the foregoing Regulations, any existing Statute of the Province in that behalf shall be in force.

GENERAL PROVISIONS.
